

Access to Programs on JW Stream by Elders and Ministerial Servants

Table of Contents

- [Introduction](#) 1
- [Login Procedure](#) 2-4
- [Viewing a Program](#) 5-8
- [Creating an Invitation](#) 9-20

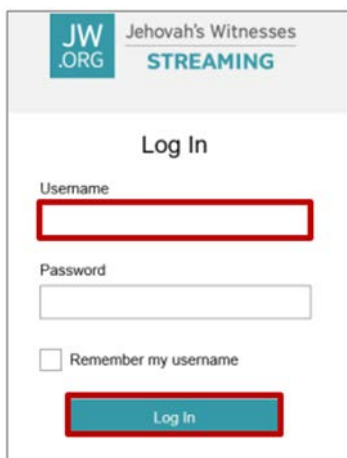

INTRODUCTION

1. This guide helps elders and ministerial servants to access JW Stream and to send electronic invitations.

LOGIN PROCEDURE

2. Open an Internet browser, and go to <https://stream.jw.org>.

3. Enter your full jwpub.org e-mail address in the **Username** field, for example johnelder@jwpub.org. Click **Log In**.

4. Enter your jw.org password, then click **Log In**.

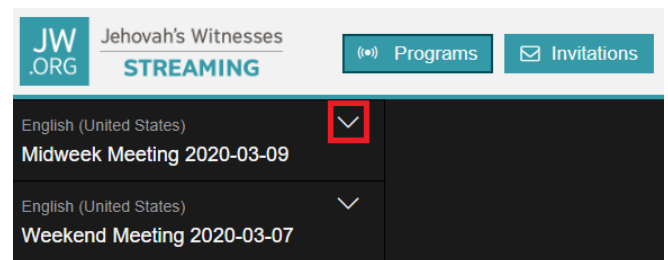

VIEWING A PROGRAM

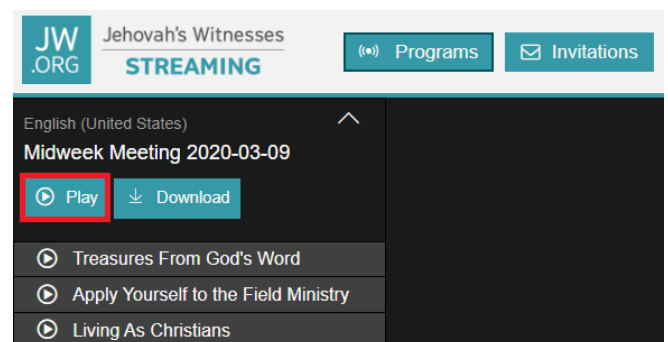

5. Click on the **language** button in the upper right-hand corner. Select the desired language from the list.

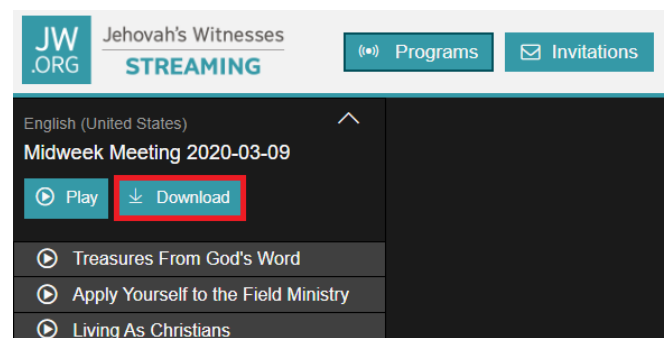

6. Select a program from the list.

7. To stream the program, click **Play**.

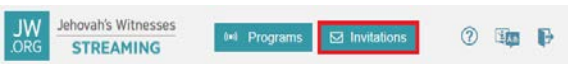

8. To save a copy of the program to your electronic device, click **Download**, then select one of the resolution options.

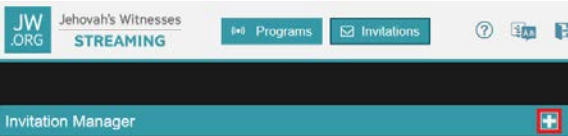

CREATING AN INVITATION

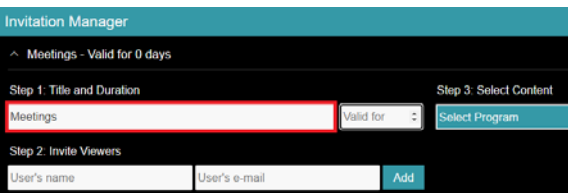

9. After logging in, click **Invitations**.

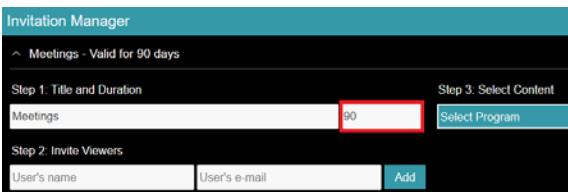

10. Click the **plus** button.

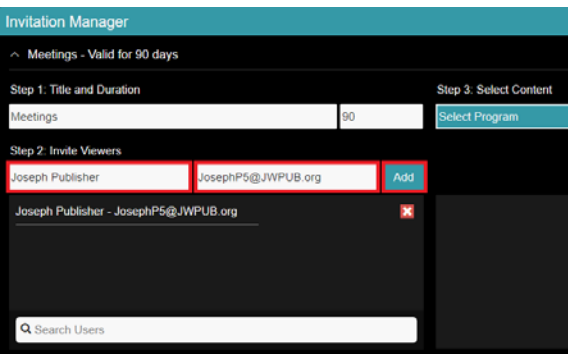

11. Enter the **title** of the invitation.

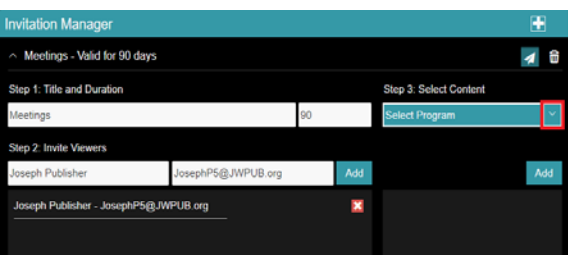

12. Enter how many **days** the invitation should be available (up to 365 days).

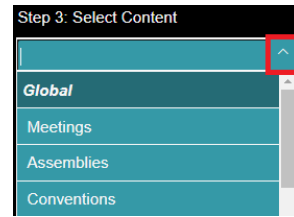

13. Enter the viewer's **name** and **e-mail address**. Then click **Add**. The viewer's e-mail address will appear as shown below. You may add up to 50 viewers per invitation.

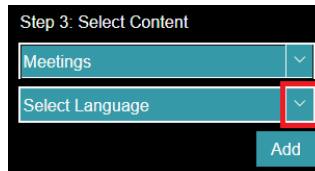

14. Click **Select Program**.

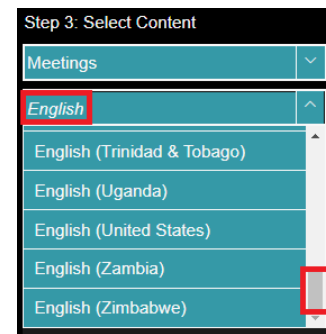

15. **Type** the desired program or scroll to find it.

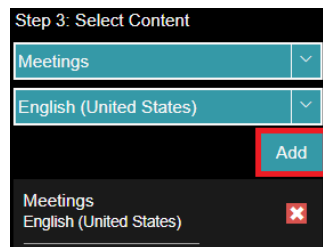

16. Click **Select Language**.

17. **Type** the desired language name or **scroll** to find it.

18. After you select the language, click **Add**. Repeat steps 14-18 to add other programs.

19. Click the **send** button when you are ready to send the invitation.

20. Select **Yes** to confirm.
