

# Visitor Centre: News.

## How to Book a Tour.

Call: 020 3053 3991 during office hours OR

Email: [VisitorCentre.gb@jw.org](mailto:VisitorCentre.gb@jw.org) and request a 'Booking Form'

## “They Rejoiced Over the Encouragement.” - Acts 15:31.

By visiting the new Britain branch site at Chelmsford, you can contribute in a very real way to the success of this project. Tens of thousands of visitors have enthusiastically offered smiles, waves and expressions of encouragement which has proved to be incredibly motivating for all our volunteers working on site.

Here is what some have commented:

“When the weather is bad and we are up against it, seeing our happy, smiling brothers who have taken time out of their busy lives to visit, helps us to keep going and treasure this privilege we have.”

“When I see the brothers waving at me, I go from feeling tired to feeling energised in a split second.”

“Visitors are not just coming to see a building site, they are coming to see the organisation in action. Our team loves seeing them!”

“Seeing our visitors is reinvigorating - it reminds me how special this project is and that we are building a house for Jehovah.”

## The Countdown Is On!

The project completion date is December 31, 2019. We have less than one year to go, so the countdown is on!

There has never been a better time to tour; all buildings are now under construction and vast areas of landscaping are already established.

We have excellent tour availability at all times during 2019. Whether you have been before or are yet to come, we warmly welcome you all to plan a visit soon and see the incredible achievements that have taken place so far.
