READ THE FOLLOWING CAREFULLY

I am applying for regular pioneer service because of my own desire to share in this activity. Having dedicated myself without reservation to Jehovah God, I am interested solely in the doing of his will and magnifying his name. I am well aware that sharing to a greater extent in the field service does not relieve me of other Scriptural responsibilities, that I must continue to be diligent to work what is good toward those who are already in the congregation, and that I must at all times apply in both speech and conduct the high moral standard of God's Word. As I carry on my service, I will be diligent to cooperate with the legal corporations used by the faithful and discreet slave and to follow through on the instructions that are issued for those sharing in the regular pioneer service. (Give the completed application to the coordinator of the body of elders.)
