Re: Publications for Congregation Bible Study

Dear Brothers:

We are happy to inform you that following the study of the book *God's Word for Us Through Jeremiah*, at the Congregation Bible Study, we will study the brochure *Who are Doing Jehovah's Will Today?*

After completing this brochure, we will study the book *Draw Close to Jehovah*. Dangme congregations will use the Ga, Twi, or English editions of the *Draw Close to Jehovah* book. Nzema congregations will study the *Secret of Family Happiness* book followed by *My Book of Bible Stories*, in place of the *Draw Close to Jehovah*.

Some publishers may already have some of these publications in their personal libraries. Nevertheless, we are giving you this advance notice so that those who do not have them may request them immediately. We look forward to enjoying the rich spiritual food in these publications.

We send you our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
