TO ALL BODIES OF ELDERS

Re: *Index to Letters for Bodies of Elders*

Dear Brothers:

We are pleased to provide a list of letters that have been added to or removed from the congregation permanent file of policy letters in 2013. As a reminder, a revised *Index to Letters* will be posted on [jw.org](http://jw.org) each time a letter is added to or removed from the congregation permanent file of policy letters. We leave it up to the judgment of each elder and congregation secretary whether to print out the revised index or simply update his personal or congregation copy of the index. In addition to the printable version of *Index to Letters* an online interactive version is also available. This online version contains links to each letter.
