TO ALL CONGREGATIONS IN THE UNITED STATES BRANCH TERRITORY

Re: Branch visit in November 2014

Dear Brothers:

On February 11, 2014, the Bethel family was excited to learn that a branch visit is scheduled for the United States. The dates for this visit are November 3, 2014, through November 10, 2014. Brothers from several countries and members of the Governing Body will share in serving as headquarters representatives. This visit will be beneficial and upbuilding to the Bethel family and to all of God's people in the United States branch territory.

In this connection, we are happy to let you know that arrangements are being made for a special weekend program on Saturday, November 8, 2014, and Sunday, November 9, 2014, to be broadcast to locations throughout the branch territory in order for as many as possible to benefit from this branch visit. All locations will receive the program via audio/video tie-in. In addition to English, the program will also be heard in Spanish by those who have their own FM receiver and headphones.

This special program will include a summary of the *Watchtower* for that week, followed by other spiritually encouraging parts that will be presented by headquarters representatives and members of the U.S. Branch Committee. In all, the program will last approximately three hours. Further details will be provided in the near future regarding the location and time that congregations will be invited to attend.

We are making you aware of this special week of activity in our branch territory so that you may make plans now to enjoy the rich spiritual blessings that we will receive. (Deut. 16:15) Please accept an expression of our warm Christian love and greetings.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
