TO ALL TWI AND GA-LANGUAGE CONGREGATIONS

Re: *Become Jehovah's Friend* series

Dear Brothers:

We are pleased to inform you that two Twi-language Web videos for children in the *Become Jehovah's Friend* series will soon appear on the [jw.org](http://jw.org) Web site. In coming weeks, the same videos will be available in the Ga language. All are encouraged to keep checking the "Children" section for Ga and Twi videos as more material will be released soon.

Be assured of our warm Christian love.

Your brothers,  
*Christian Congregation of Jehovah's Witnesses*
