Re: The study edition of the Dangme *Watchtower*

Dear Brothers:

In a letter dated March 12, 2014, the Dangme-speaking congregations were informed that a monthly study edition of *The Watchtower* in Dangme will be available with the September 15, 2014, issue. Dangme-speaking congregations should now make sure that they have made the necessary adjustments in their standing request on jw.org. Congregations that are not on jw.org may make their adjustments by means of the M-202 form. Requests for the September 15, 2014, issue of *The Watchtower* should reach the branch office by May 20, 2014.

Be assured of our warm Christian love.

Your brothers,

Christian Congregation of Jehovah's Witnesses
