Re: Clarification of “Question Box”

Dear Brothers:

We have noticed that the statement “Ese se map no ma wuhu asafo no asasesin ahye nyinaa ne ɔdawurubɔfo biara asasesin ne ne nɔma” in paragraph one of the June 2014 “Question Box” may give the impression that each individual publisher must have a personal territory and that it should be shown on the display map. This is not the case. What we want to say is that the map “should show the overall boundaries of the congregation’s assigned territory and the boundaries of *each individual territory* with its assigned number.”

Thank you for taking note of this clarification. We send you our warm Christian love.

Your brothers,

Christian Congregation of Jehovah's Witnesses
