Re: *Our Kingdom Ministry*

Dear Brothers:

We are pleased to inform you that *Our Kingdom Ministry* is now available for download in the public area of jw.org in the “Publications” section. In due course, it will also be available in *Watchtower ONLINE LIBRARY*. Anyone who desires to receive a copy of *Our Kingdom Ministry*, including disfellowshipped persons, may receive one. If you no longer need to receive a printed copy of *Our Kingdom Ministry*, please inform the coordinator of the body of elders.

We send our warm Christian love.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*

c: Circuit overseers

PS to body of elders:

Please arrange for this letter to be read to the congregation at the first Service Meeting after its receipt. Thereafter, it should be posted on the information board.

In some languages, multiple editions of *Our Kingdom Ministry* are produced for use in different countries. However, only one electronic edition per language will be available to the public. If the edition of *Our Kingdom Ministry* available in the public area of jw.org is not the edition used in your congregation, you should inform the audience that they will need to continue to obtain *Our Kingdom Ministry* from the congregation. For the time being, all editions of *Our Kingdom Ministry* will continue to be available for download in the secure area of jw.org.

Additionally, it will no longer be necessary for the coordinator of the body of elders to receive and distribute printed copies of *Our Kingdom Ministry*. Rather, the magazine servant may be provided with a list of individuals who have requested to receive a copy, and he may care for the distribution at congregation meetings. If the congregation will now need fewer printed copies of *Our Kingdom Ministry*, consideration should be given to adjusting the quantity requested from the branch office.
