TO ALL BODIES OF ELDERS IN CANADA

Dear Brothers:

Attached are the estimated shipment dates for magazines and literature from October 2014 through September 2015. Note that these are the dates your shipment is projected to depart from our branch. Travel time that will be required from the branch to your destination must be considered when estimating the actual arrival at the depot. This will affect your schedule when picking up shipments at your Regional Literature Depot (RLD). Effort should be made to have items picked up at the depot as soon as is practical. Literature and magazines should then be provided to the congregation publishers without delay. Please note that the routing has not changed. If you require assistance to determine the estimated delivery date, or have any other questions, you may contact our Shipping Department.

We send you our warm Christian love and greetings.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

Enclosure

PS to the service committee:

Please ensure that your literature servant is aware of these adjustments. A copy of the *Literature and Magazine Delivery Information* sheet can be supplied to him.
