TO ALL BODIES OF ELDERS

Re: 2014 Integrated Business Establishment Survey (IBES)--Ghana Statistical Service

Dear Brothers:

The Ghana Statistical Service in collaboration with the Ministry of Trade and Industry is conducting a nation-wide economic census that involves collecting statistical information on all establishments in Ghana including our Kingdom Hall and Assembly Hall buildings.

The branch office has received several phone calls from the field as to how to cooperate with the officers of the Ghana Statistical service regarding this exercise. To enable the body of elders provide the appropriate information, we have attached a sample of the completed form that is to be filled out for each Kingdom Hall/Assembly Hall. Only one form need to be completed for each Kingdom Hall. If more than one congregation uses a particular Kingdom Hall, only the caretaker congregation should complete the form. Please do not hesitate to call the branch office Legal Department (0544346884) if you need further help. If the officers ask questions that you cannot answer, please do not hesitate to call in their presence.

Please accept our warm Christian greetings and best wishes.

Your brothers,
