TO ALL BODIES OF ELDERS

RE: Local Needs Part for Week Starting December 1, 2014

Dear Brothers:

Please use the attached outline for your local needs part for the week starting December 1, 2014. The part should be assigned to a Hospital Liaison Committee (HLC) member if there is one in your congregation and he is available to give the part. If there is no HLC member in your congregation, this part should be given by an elder who is a good teacher and can explain matters in a simple and clear manner.

This part is the first of six outlines that will be sent to you periodically, to be given during the specified weeks' local needs part. These outlines are designed to remind us of ways that we can prepare to meet tests of our faith that involve blood transfusions, and in particular to assist us in properly filling out the DPA form.

In view of this, please check that your congregation has on hand a good supply of the DPA (*dpa-E Gh 11/04*) and the Identity Cards (*ic-E Gh 3/06*). As a reminder, these and other forms are no longer being automatically consigned to congregations, but need to be ordered. If you need to order more of these forms, please request them through the [jw.org](http://jw.org) Web site or by using the Literature Request (S-14) form.

Additionally, future outlines in this series will ask that you download and print a copy of the December 2006 *Kingdom Ministry Insert* for each publisher in your congregation. This can be found on the [jw.org](http://jw.org) Web site under Documents; Medical Information. Congregations not yet on [jw.org](http://jw.org) will be sent a copy of this insert for duplication and distribution at the appropriate time.

Please plan to have a good supply of the DPA, Identity Cards, and the December 2006, *Kingdom Ministry Insert* by the week starting February 2, 2015.

In harmony with the letter to all bodies of elders dated February 8, 2008, regarding local needs parts, please do not invite HLC members or medical professionals who are not in your congregation to present or share in this local needs part.

As you continue to exert yourselves to care for Jehovah's sheep, be assured of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
