Re: *JW Broadcasting*

Dear Brothers:

We are writing to inform you of an exciting initiative that was announced on October 4, 2014, at the annual meeting of the Watch Tower Bible and Tract Society of Pennsylvania. On Monday, October 6, 2014, an English-language Internet television station called *JW Broadcasting* was launched and can be accessed at <http://tv.jw.org>. *JW Broadcasting* will initially be advertised in the "See What's New" section, a link to which can be found on the [jw.org](http://jw.org) homepage. It can also be accessed at the bottom of all pages of [jw.org](http://jw.org) under "Get Help For."

*JW Broadcasting* has three sections. The "**Streaming**" section contains 12 channels that broadcast our videos 24 hours a day. These channels are entitled "The Bible," "Children," "Family," "Featured Program," "Interviews and Experiences," "Movies," "Our Activities," "Our History," "Our Ministry," "Our Organization," "Programs and Events," and "Teenagers." Each month, the "Featured Program" channel will broadcast a different one-hour program hosted by a member of the Governing Body. The extensive "**Video on Demand**" section will allow individuals to select any of our videos and watch them at any time. The "**Audio**" section of *JW Broadcasting* will contain music, dramas, and dramatic Bible readings.

Be assured of our warm Christian love and greetings.

Your brothers.
