Re: *2015 Calendar* in English

Dear Brothers:

We are writing regarding the *2015 Calendar* in English that will be shipped to congregations very soon. Unfortunately, the *2015 Calendar* in English contains a couple of errors. For example, the Memorial Bible reading schedule is not accurate. Therefore, please follow the Memorial Bible reading schedule found in *Examining the Scriptures—2015* instead of the schedule found in the *2015 Calendar* in English.

Additionally, the calendars that contain errors also emphasize starting Bible studies on the first Saturday of each month. However, as noted in the December 2014 *Our Kingdom Ministry*, this arrangement will be discontinued as of January 2015.

Please be assured of our warm Christian love.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

PS to coordinator of the body of elders and service overseer:

If many publishers in your congregation have requested the *2015 Calendar* in English, please arrange for this letter to be read to the congregation at the first Service Meeting after its receipt. Thereafter, it should be posted on the information board. If only a few publishers have requested the calendar, please arrange for this information to be conveyed to them personally.
