TO ALL BODIES OF ELDERS IN CANADA

Re: Special preaching campaign in Israel

Dear Brothers:

The response in the Canadian field to the Israel office's letter of August 20, 2014, has been overwhelming—so many of you have applied to travel to Israel to share in this special witnessing campaign! Your willingness to serve reminds us of the prophetic declaration at Psalm 110:3, “Your people will offer themselves willingly on the day of your military force.”

Your applications, along with those from a few other large branches, have been sent to the Italy branch that is coordinating this activity. The brothers there will make the selection of participants as soon as possible. Please do not contact the Canada branch or the Italy branch to verify the status of your application as they are no doubt working to review the large number of applications received. If you have been invited, you will be informed promptly in order to give you time to make the necessary travel arrangements.

If you do not receive an invitation, we know you will be disappointed. However, rather than this becoming a setback for you, please take consolation in the fact that you have made yourselves available. Your willingness is in itself an indication of your spirituality and devotion. (2 Corinthians 8:12) There are many opportunities to expand your service to Jehovah right in your local congregation. Could you serve as an auxiliary or regular pioneer if you are not already enjoying this privilege? Are there congregations in your area that need help in covering their territory? The challenge of learning another language is open to some. Please talk with your elders or circuit overseer as to what you might do now or in the near future to expand your ministry.

We pray Jehovah's blessing will be on this special campaign. Please be assured of our warm Christian love and best wishes.

Your brothers,  
*Christian Congregation*  
*of Jehovah's Witnesses*

PS to coordinator of the body of elders:

Please arrange for this information to be conveyed to those who have applied in your congregation.
