Re: 2015 special talk outline

Dear Brothers:

Our letter dated October 3, 2014, to all coordinators of bodies of elders directed that the new outline number 190 entitled “‘A Promise of Perfect Family Happiness’ has been added to the series of public talk outlines and may be delivered in your congregation as your scheduling permits.” However, we would like to correct that information. The fact is that outline number 190 is the special talk for the 2015 service year.

If your congregation has scheduled to give this talk in the coming weeks, please wait until it is delivered during the week of April 6, 2015, as announced in the September 2014 *Our Kingdom Ministry*.

We send you our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

PS to coordinator of body of elders:

Please make sure that the correction mentioned above is effected immediately. Also, if outline number 190 has been delivered already in your congregation, remember that it will still be used for the 2015 special talk. We are sorry for any inconvenience this may have caused.
