TO ALL BODIES OF ELDERS

Re: Assisting Full-Time Servants

Dear Brothers:

We are writing regarding our letter dated December 9, 2014, regarding *Assisting Full-Time Servants*. Unfortunately, it contained one notable error highlighted in three places in the post script. The referenced letter to bodies of elders is *not* August 25, 2015 but August 25, 2014. The letter has been updated at this time to reflect this correction.

Please be assured of our warm Christian love.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
