Re: Special program for congregations during the 2015 headquarters representative's visit to Canada branch

Dear Brothers:

Periodically, the Governing Body arranges for the visit of headquarters representatives to branches to help advance Kingdom work. In connection with the next visit to our branch, we are happy to inform you that a special program will be broadcast to all congregations in Canada on the weekend of March 21-22, 2015.

This program will replace regular meetings scheduled for that weekend and will be two and a half hours in length. Your body of elders will provide more details in the near future.

We look forward to the blessings of this special program and take this opportunity to send you our warm Christian love.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation at the first Service Meeting after its receipt. Thereafter, it should be posted on the information board. **This postscript should neither be read to the congregation nor be posted on the information board.**

Please do not schedule a public talk on the weekend of March 21-22, 2015. Rather, your body of elders should make arrangements for your congregation to watch the special program described above. Technical details about the streaming of the program will be provided later in your jw.org inbox.

Some congregations will likely choose to watch the program at their regularly scheduled meeting time. Other congregations will have to coordinate their schedule with the other congregation(s) sharing the Kingdom Hall. The program will begin at 1:20 p.m. Eastern Daylight Time on Saturday, March 21, 2015. It will be possible to be tied into the program at that time. For viewing after that time, it will be available for streaming until midnight on Sunday, March 22, 2015.

The program will be presented in English. However, simultaneous French translation will be available to French-language congregations. Foreign-language congregations can stream the program in either language and the body of elders can arrange for simultaneous translation into their language if they so desire. Foreign-language groups should attend the program along with their host congregation. The body of elders of the host congregation can arrange for simultaneous translation in the language of the group if they so desire.

The program will include a summary of *The Watchtower*. It will be presented in English only and is not to be translated simultaneously. Bodies of elders of congregations who do not tie into the program in English should assign an elder to present a 30-minute summary of *The Watchtower*.

The program, originating from the Canada branch, will begin with a musical introduction at 1:20 p.m. Eastern Daylight Time. Congregations that tie in for the streamed program at any other time will need to have an assigned chairman to invite the audience to take their seats, to introduce the opening song, and to call on a qualified elder for both the opening and closing prayers.
