Re: Contact information for the 2015 visit of headquarters representatives

Dear Brothers:

Further to our previous letter dated AF:FMA January 13, 2015 regarding the visit of the headquarters representatives and the request for you to appoint an Event Coordinator and a Technical Contact, we are now pleased to supply you with further information.

In line with this request we ask that you submit these details on the form in the link below:

<https://watchtower.formstack.com/forms/eventcoordinator>

Please note that access to the form requires the following password: Micah6:8

The form requests a number of details concerning your Kingdom Hall, such as the number of congregations using the hall, as well as other information regarding the progress of your equipment installation. The details you provide will enable us to email the necessary information in order for the Event Coordinator and the Technical Contact to perform the test on February 2, 2015.

We appreciate your cooperation and assistance in helping to make this programme transmission a success.

We send you our warm Christian love and greetings.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
