TO ALL BODIES OF ELDERS

Re: *Our Kingdom Ministry*

Dear Brothers:

Further to our previous letter to all congregations, dated September 1, 2014, regarding *Our Kingdom Ministry* becoming available to download in the public area of jw.org, it has been reported that some congregations are now becoming overstocked with *Our Kingdom Ministry*.

Therefore, we would like to remind you of what was stated in the postscript of the above letter: "*If the congregation will now need fewer printed copies of Our Kingdom Ministry, consideration should be given to adjusting the quantity requested from the branch office.*"

Please may we ask that the Service overseer, together with the magazine servant, review the need for printed copies, and reduce the request quantities accordingly.

We thank you for your kind attention to this matter and express our warm Christian love and greetings.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*
