Re: Electronic Convention Program and Convention Releases

Dear Brothers:

We are pleased to announce the following arrangements for the 2015 “Imitate Jesus” Convention of Jehovah’s Witnesses.

**Electronic Interactive Program:** The convention program is available on [jw.org](http://jw.org) as a PDF file. The file is designed for use by those who desire to take notes using an electronic handheld device. It is possible to navigate through the file by means of embedded links. For example, tapping on a song number will display the words to that song.

**Revised Song:** Song 136 will be sung at the end of the Sunday morning session of the convention. This song has been revised to include a third verse. In due course, the revised music and lyrics will be available for download from [jw.org](http://jw.org) and the *JW Library* app. Please help those without access to the Internet to obtain a copy of the lyrics.

**Electronic Releases:** Electronic editions of convention releases will be available for download from [jw.org](http://jw.org) and the *JW Library* app at the same time the printed copies are released at the convention venue. The releases will be available on [jw.org](http://jw.org) in many languages when the first convention begins on May 22, 2015.

While it will be possible for many to download the new releases prior to the convention, we encourage you to refrain from doing so until you have attended your assigned convention. Thus you can enjoy the anticipation of the release of a new publication as you have experienced in previous years. Details about the release will be provided in the talk at the convention to help us understand its purpose and how it can be used most effectively. If you attend an early convention, please allow brotherly love and loyalty to motivate you to discuss the releases and other convention-related information only with those who have had an opportunity to attend their own convention program. —**Read 1 Corinthians 10:24.**

We send our warm Christian love.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*

c: Circuit overseers

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation during the Service Meeting the week of April 27, 2015. Thereafter, it should be posted on the information board. Congregations having a circuit assembly that week should have the letter read the following week.
