Re: "Convention Reminders" Video

Dear Brothers:

A Service Meeting part entitled "Convention Reminders" is scheduled for the week of April 27, 2015. We are pleased to inform you that a six-minute video has been prepared for this part. The video presentation will no doubt help our brothers understand what they need to keep in mind when planning for and attending conventions.

If the video is available in the language of the congregation before the Service Meeting for the week of April 27, the secretary should be guided by the revised instructions noted below.

10 min: "Convention Reminders." Discussion by secretary, including a video presentation. First play the "Convention Reminders" video. Afterward, review highlights of the video, emphasizing points that are especially pertinent to the congregation.

The video should be shown again to the congregation the week before attending the convention. This will serve to emphasize the importance of following the directions the faithful slave is providing concerning proper decorum at conventions.—1 Tim. 3:15.

If the video is not available in the language of the congregation before the Service Meeting for the week of April 27, you may consider the information as instructed in *Our Kingdom Ministry*.

We send our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

c: Circuit overseers

PS to coordinator of the body of elders:

Please ensure that the secretary is informed of this direction and has access to the video if it is available in the language of the congregation.
