TO ALL BODIES OF ELDERS

Re: “*Became So Beloved*” Video and “Event Media” Document Type

Dear Brothers:

We are pleased to announce the release of a new ten-minute video entitled “*You Became So Beloved to Us*,” based on 1 Thessalonians 2:8. This video builds appreciation for our circuit overseers and the wonderful work they accomplish along with their loyal wives. It should be played for the congregation during local needs on the midweek meeting just *prior* to the visit of the circuit overseer from September 2015 through February 2016. It should not be played *during* the week of the circuit overseer’s visit. If the local needs part used for the video is not ten minutes in length, the other parts on the Service Meeting should be adjusted accordingly.

In this regard, we are also pleased to inform you of the new “Event Media” document type that is now available on jw.org to congregation elders. Videos designed for viewing at future meetings will be accessible to elders by clicking on the new “Event Media” link under the “Documents” tab. At times, videos designed for viewing by elders only will also be accessible in this area.

All elders have automatically been assigned the “View Event Media—General” and “View Event Media—Restricted” roles. Ministerial servants have been assigned the “View Event Media—General” role. As ministerial servants are appointed as elders or as elders and ministerial servants are added to the congregation domain, it will be necessary for one of the account administrators to assign them the aforementioned roles. Please note that no ministerial servant should be assigned the “View Event Media—Restricted” role. The *jw.org Roles* (S-135) form has been updated. The “*Became So Beloved*” video has been posted in the “Event Media” section of the “Congregation” tab on jw.org and is available to those with the “View Event Media—Restricted” role.

We send our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
