Re: 2016 Regional Conventions

Dear Brothers:

We are pleased to provide you with information relating to the 2016 regional conventions.

The local needs item for the week commencing November 30, 2015, will be dedicated to providing information regarding congregation assignments for the 2016 regional conventions and the approved hotel arrangements. Therefore, please keep the local needs free that week. More details will be provided in the future.

Some publishers are already asking for the dates of next year's conventions. Kindly inform them that this information will be released during the local needs part mentioned above. This letter is provided to update the elders and you can inform publishers if they ask.

We send you our warm Christian love and greetings.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
