TO ALL BODIES OF ELDERS IN THE UNITED STATES BRANCH TERRITORY

Re: Submitting *Please Follow Up* (S-43) forms on jw.org

Dear Brothers:

In our letter to all bodies of elders dated June 11, 2012, direction was given to begin using the jw.org website to electronically submit *Please Follow Up* (S-43) forms to the branch office. Forms may be submitted through the congregation secretary. This is the preferred method for submitting referrals and, when possible, should be used rather than submitting paper or scanned copies of the *Please Follow Up* (S-43) form to the branch office.

Thank you for noting this kindly reminder.

Your brothers,

*Christian Congregation
