Re: March Issue of the *Life and Ministry—Meeting Workbook*

Dear Brothers:

We have received many positive comments regarding the new meeting arrangements and the fine provision of *Our Christian Life and Ministry—Meeting Workbook* released at the annual meeting. It is clear to see that Jehovah is directing his earthly organization to our benefit.

From time to time, it may be necessary for us to write to each congregation giving guidance on specific parts in the *Life and Ministry Meeting Workbook*. For example, during the week of March 21-27, under the section “Apply Yourself to the Field Ministry,” the “Initial Call” assignment directs the student to mention the donation arrangement. As a reminder, in Britain and Ireland, we do not ordinarily raise the matter of donations unless the householder asks. Therefore, in this scenario the householder should enquire about the funding of our work and the student can then provide details regarding the donation arrangement.

We trust that you will convey this information to the student assigned this part and thank you for your assistance.

Please be assured of our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
