Re: Visit of Headquarters Representatives

Dear Brothers:

We are pleased to inform you that Brother John Kikot, a member of the United States Branch Committee, and Brother Kenneth Flodin, an appointed helper to the Governing Body, have been assigned to serve as headquarters representatives to the Britain branch office from Friday, April 22, to Tuesday, May 3, 2016.

As part of their visit, a special three-hour programme will be broadcast to all congregations in Britain, Ireland and the Falkland Islands. The programme will be streamed from Bethel, and will be available from Saturday afternoon, April 30, at 1:00 p.m. Since the programme will include a consideration of the *Watchtower* Study, the locally scheduled public talk and *Watchtower* Study for that weekend will be suspended. The broadcast can be viewed any time from the live broadcast on Saturday afternoon through to Sunday evening. Where congregations share a Kingdom Hall, the bodies of elders will determine between them the schedule for each congregation that uses the hall.

We are pleased to provide you with this advance notice so that you may plan to attend the spiritual programme during the visit of Brothers John Kikot and Kenneth Flodin.

Please be assured of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

PS to the coordinator of the body of elders:

Please have this letter read at the next Christian Life and Ministry Meeting after its receipt. Further information regarding the technical set-up required for the event will be sent to each congregation shortly.
