TO THE BODY OF ELDERS

Re: School for Congregation Elders

Dear Brothers:

We are happy to inform you that the School for Congregation Elders will continue being held in our branch territory starting in 2016. The classes will be composed of experienced elders and recently appointed elders. Whoever is selected to attend will receive an invitation letter a few months before the school starts.

The school will continue being held in local Kingdom Halls and classrooms from selected Assembly Halls. Most elders will be assigned to a nearby school, so that every day they can travel back and forth from their home. We are confident that you will understand that there are many factors involved when selecting who will be included in each class, which will mean that some elders will have to make changes in their personal affairs to be able to attend the dates they are assigned. We thank you in advance for your cooperation in this matter.

The Watchtower September 15, 2012 explained that the purpose of the school is “to help elders care for their responsibilities in the congregation and to deepen their spirituality”. For that reason, we encourage you to make every possible effort to attend.

We take this opportunity to commend you for the fine work you do to accomplish your multiple tasks. Please accept an expression of our warm Christian love and best wishes.

Your brothers,

de los Testigos de Jehová*
