Re: Quarterly *Organizational Accomplishments* Video Series

Dear Brothers:

We are pleased to inform you that a new series of short videos will be produced to emphasize the acceleration of the worldwide work of Jehovah's Witnesses. (Isa. 60:22) These videos will be produced quarterly and will enable us to see various ways that our contributions are used to support Kingdom interests around the world.—2 Cor. 8:12-14.

The appropriate video should be played at the beginning of the local needs part for the months of March, June, September, and December. The video for the month of March is entitled *Organizational Accomplishments—Sail Amsterdam 2015*. If the time allotted for the local needs part is insufficient to show the video, then other parts on the meeting that evening should be reduced accordingly. On the other hand, if time remains after the video is shown, then the brother assigned the part may use the time to address local needs. These videos will first be made available in the “Event Media” section under the “Documents” tab on jw.org and will be visible to those with the “View Event Media—Restricted” role. Later, these videos will be made available in the *JW Library* app.

We trust that this new video series will help all in our international brotherhood to feel united in Jehovah's service. (Mic. 2:12) Please be assured of our warm Christian love and best wishes.

Your brothers,

Testigos Cristianos de Jehová
