## TO BODIES OF ELDERS OF SELECTED FOREIGN-LANGUAGE CONGREGATIONS AND GROUPS

Re: Memorial and Special Talk Recordings on JW Stream

Dear Brothers:

We are pleased to inform you that the upcoming Memorial and/or special talk will be made available in the language of your congregation or group on JW Stream. In view of the limited time for preparation, you can determine whether you will download the recording from JW Stream or handle the entire program locally.—See the letter dated October 22, 2015, to all bodies of elders.

The document entitled “2016 Memorial and Special Talk Recordings on JW Stream” will provide the projected upload date and time for the talk in each language. Congregations downloading the recording should ensure that the Memorial observance occurs after sundown. If the recorded talk begins before sunset, the passing of the emblems should not occur until after sunset. After the talk, the local chairman should read the Memorial announcement for the benefit of interested ones in attendance and then announce the concluding song. A backup speaker should be prepared in case a recording is not accessible or there is a technical problem locally.

We send our warm Christian love.

Your brothers,

*Testigos Cristianos de Jehová*
