Re: Revised Funeral Discourse Outline

Dear Brothers:

The *Funeral Discourse* (S-32) outline has been revised, and the new version has been posted on [jw.org](http://jw.org). The revision includes adjustments to the body of the outline and to the instructions for the speaker. The instructions now allow the speaker to include throughout his talk encouraging lessons from the faithful example of the deceased. Please use the revised outline when delivering funeral discourses. The revised outline is intended to help speakers deliver funeral discourses of greater warmth and comfort to the audience while still giving a fine witness that honors “the God of all comfort.”—2 Cor. 1:3.

Please accept an expression of our warm Christian love.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*
