Re: “Declaración de promesa de fidelidad” (Declaration of Marital Faithfulness)

Dear Brothers:

We are writing about the persons who years ago signed a “Declaración de Promesa de Fidelidad” (“Declaration Pledging Faithfulness”) which are included in the records on file at the branch. The congregations that have such declarations in their own files should send the attached form. Please use the fill-in fields to mark the applicable options and write in the requested information. Please send in this form no later than **July 1, 2016**, by [jw.org](http://jw.org) directed to the inbox of the *Departamento de Servicio (Mesa SE)*. The members of the congregation service committee should sign the questionnaire.

Please make out a separate form for each couple that signed the “Declaration Pledging Faithfulness”. Any additional information required for a certain case may be included in a separate letter. It would be useful to review the “Questions from Readers” section, published in *The Watchtower* of February 15, 1987, page 31. (Identical information is found in same issue and page of *La Atalaya* in Spanish.)

Along with many thanks for your cooperation, we send an expression of fervent Christian love.

Your brothers,

*Testigos Cristianos de Jehová*

NOTE TO THE COORDINATOR: Should there be a couple that signed a “Declaration Pledging Faithfulness” in your congregation concerning which we have not requested information (due to being unaware of that particular case) please send us a photocopy of the document, as well as the information requested in the form. If there is more than one case in your congregation, please send a form for each.

If in the past there was a couple in this situation but they either legalized their marriage or one of the mates is deceased (and the branch was informed of such happenings at the time), it will **NOT** be necessary to send in a repeat report now. If there is no case in your congregation, **it is not necessary to return the questionnaire.**
