TO ALL BODIES OF ELDERS IN BRITAIN AND IRELAND

Re: 2017 Vacation Witnessing Campaign

Dear Brothers:

As the end of this service year approaches, we contemplate with joy the thorough witness that has been given to praise Jehovah's holy name. Despite many difficulties, a good number of our faithful brothers and sisters have shown great zeal and love for Jehovah by using their vacation time to help cover seldom worked territory. During 2016, over 1,800 volunteers have spent nearly 20,000 days preaching, and have assisted 150 different congregations in England, Scotland, Wales, Northern Ireland and the Republic of Ireland. Not only have many interested ones been contacted, but also good friendships have been built while enjoying fine Christian association.

We are already organizing the 2017 Vacation Witnessing Campaign, and would like to know if you are interested in having groups of volunteers to assist you with territory coverage. May we ask the service committee to consider prayerfully what your needs will be for 2017. If you decide that your congregation should be included in the campaign, kindly complete the attached questionnaire and return it to us **before September 30, 2016**. Please do this via jw.org, using the Service Department Inbox.

We pray Jehovah's continued blessing on your efforts to fulfil our commission. (Matt. 24:14) Be assured of our warm brotherly affection.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
