Re: JW Broadcasting Programs in Spain Sign Language

Dear Brothers:

On October 6, 2014, an Internet television station called JW Broadcasting began to be produced. Later on, these programs began to be translated into many languages. Since then, an overwhelming amount of feedback expressing appreciation for this provision has been received.

We are pleased to inform you that starting with the September 2016 monthly program, JW Broadcasting will be translated into Spain Sign Language. (It is expected to have this translation available the second Monday of each month.)

With Jehovah's support, we are confident that JW Broadcasting will continue to be a rich spiritual blessing for our spiritual brotherhood. Please be assured of our warm Christian love and greetings.

Your brothers,

Testigos Cristianos de Jehová

PS to coordinator of the body of elders:

Please arrange for this letter to be read to the congregation at the next midweek meeting, if applicable. For example, if it is a Sign Language Congregation or if it hosts a group or pregroup in that language. In any case, it should be posted on the information board.
