Body of Elders

Re: Special Committee

Dear Brothers:

We have discussed with your circuit overseer, Brother _____, the recent review of the qualifications of four elders on your body to serve as elders. It is clear this is an unusual situation for four elders to have their qualifications considered at one time. Therefore, it has been decided that a further review of the matter will be carried out by a special committee of three experienced elders. (Prov. 15:22) Once these brothers have completed their review they will provide a recommendation to Brother _____ before a final decision is made. We feel sure that you will appreciate the further opportunity for all to be able to freely express themselves before any final decision is made.

For this reason we have invited Brother _____ of the London, _____ Congregation, who served for many years as a circuit overseer, to serve as chairman of a special committee appointed to hear the appeal. His telephone number appears at the foot of this letter. He will be accompanied by two other respected, qualified elders. As the coordinator of the body of elders is one of the brothers under review, your secretary, Brother _____, should promptly take the lead in arranging for you to cooperate with the special committee in carrying out this review at a mutually acceptable time and location.

Naturally, you will appreciate that the special committee will incur some financial costs involved with assisting you in this matter and we would appreciate your seeking to cover these.

We pray Jehovah's blessing will be with all of you as you diligently seek His direction in caring for Kingdom interests and we send our Christian good wishes.

Your brothers,

*Christian Congregation
