Re: Online Tour Reservation Tool for Visiting United States Bethel Facilities

Dear Brothers:

As was stated in the September 2016 program of JW Broadcasting, tours of the new world headquarters of Jehovah's Witnesses located in Warwick, New York, U.S.A., will begin on **Monday, April 3, 2017**. At this time, we are pleased to provide you with an update concerning the new reservation tool for scheduling tours of all Bethel facilities in the United States.

If you plan to tour the world headquarters, located in Warwick and Patterson, New York, U.S.A, or the United States branch facility, located in Wallkill, New York, U.S.A., you should notify the United States branch office of your preferred dates well in advance. (1 Cor. 14:33, 40) To assist you in this regard, the tour reservation tool will be available beginning **Friday, October 28, 2016**, and will be accessible on jw.org under ABOUT US > OFFICES & TOURS > UNITED STATES. From there, you will be automatically directed to a secular website to complete your tour reservation. Please disregard any references to fees for services found on this secular website. As always, tours to any of our facilities are provided free of charge.

Using this online reservation tool to schedule and confirm your tour dates well in advance will enable you to enjoy your visit without unnecessary overcrowding and will contribute to a better tour experience.

As a reminder, those who plan to tour the Patterson or Wallkill Bethel facilities before April 3, 2017, should not plan to visit the Bethel facility at Warwick. We are working diligently to make sure that the new world headquarters in Warwick is fully ready when tours begin in April.

We thank you in advance for your cooperation with these arrangements and look forward to your visit. Please be assured of our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
