Re: Use of *Bible Teach* and *Teach Us*

Dear Brothers:

We trust that by now you have started enjoying the benefits of the new features of the *Teach Us* book as outlined in the article "What Can the Bible Teach Us?—How to Use It" in the November 2016 issue of the *Life and Ministry Meeting Workbook*. Due to the obvious benefits of these features in our field, we would like to mention that, as previously announced in the October 4, 2015, letter, 'for all languages used in Ghana (Dangme, Ewe, Fante, Ga, Nzema and Twi), the *Teach Us* book will replace the *Bible Teach* book.' This means that the *Bible Teach* book will no longer be produced in these languages. The *Teach Us* book is now available on our website in six languages, and printed copies can be requested in Dangme, Ewe, Fante, Nzema and Twi.

We trust that this new tool will provide greater opportunity to present the good news to individuals in a manner that appeals to the heart.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
