Re: Supporting Those With Medical Needs

Dear Brothers:

An updated listing of Hospital Liaison Committee (HLC) members is available by selecting the “Contacts” link under the “Search for” heading on the “Lookup” tab when logged in to jw.org. At this time, each elder with a jw.org account should print copies of the listing and *Guidelines for Supporting Those With Medical Needs* (S-139) and have them available for use in case of an emergency in which Internet access is not available. The congregation secretary should remind each elder to do so and should provide copies for any elder who does not have a jw.org account. Please remember that these documents are not for general circulation and therefore should not be copied for publishers or posted on the information board.

Thank you for helping those in your congregation to plan ahead for unexpected and challenging medical situations. (Eccl. 9:11) Please accept our warm Christian love and greetings.

Your brothers,

Testigos Cristianos de Jehová
