Re: Branch Relocation Newsletter

Dear Brothers:

We are delighted to send you Edition 3 of the branch relocation newsletter which gives an overview of what has been accomplished in the last three months.

As you will no doubt be excited to see, the foundations for the first buildings have started, the clearing of the site and re-profiling of the land is well underway, and the access road into the property is nearing completion. We have certainly seen Jehovah's rich blessing since our last update to you!

Although not mentioned in this edition, the Regional Events continue to identify those who are able to assist in this tremendous project. Therefore, with almost half of these events still to be held, we encourage all to prayerfully consider their circumstances, attending the event in their region if they can.—Prov. 16:3.

Please be assured of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
