TO ALL SPANISH-SPEAKING CONGREGATIONS AND GROUPS

Re: Release of *Teach Us* in Spanish

Dear Brothers:

We are pleased to announce that the publication *What Can the Bible Teach Us?* is now available in Spanish both on jw.org and in the *JW Library* app. This 224-page book is a simplified edition of the book *What Does the Bible Really Teach?*

Printed copies of *Teach Us* in Spanish will soon be available through the congregation. Audio recordings of *Teach Us* in Spanish will soon be made available for download on jw.org. The Spanish *Teach Us* book will be available for download in electronic Braille format as soon as it is completed. Requests may now be submitted for copies in embossed Braille format.

Helpful suggestions on how to use *Teach Us* in the ministry can be found in the November 2016 issue of the *Life and Ministry Meeting Workbook*. No doubt this simplified study publication will help even more people to gain a better understanding of Bible truth and to grow in their relationship with Jehovah.

We send our warm Christian love and best wishes.

Your brothers,

Testigos Cristianos de Jehová

PS to coordinators of the bodies of elders:

Please arrange for this letter to be read to the congregation at the first midweek meeting after its receipt. Thereafter, it should be posted on the information board. The language coordinator should use item number 5340 when requesting a sufficient quantity of *Teach Us* books in Spanish for use in the ministry.
