TO THE CONGREGATIONS

Re: Special Meeting

Dear Brothers:

We are pleased to let you know that preparations are being made to hold a special meeting in connection with the visit of Brother David Sinclair to our branch, as a representative of the World Headquarters. The meeting will be held on **Saturday, March 11, 2017**.

As on previous occasions, the meeting will be transmitted by Internet from Bethel to all the Kingdom Halls in the country. Many congregations will enjoy the program live, while others will see it by retransmission, in harmony with the following schedule:

Live Program:	Saturday, March 11, 2017, from 10:30 hours to about 13:00 hours.
Retransmission Schedule:	Saturday, March 11, 2017, from 17:00 hours to 19:30 hours
	Sunday, March 12, 2017, from 10:30 hours to 13:00 hours
	Sunday, March 12, 2017, from 17:00 hours to 19:30 hours

During that weekend no other congregation meeting will be held, except in the case of the congregations that have the visit of the circuit overseer. These will schedule a full meeting program for the visit, including the study of *The Watchtower*.

Plans are being made for all congregations to see and listen to the special meeting at their respective Kingdom Halls. The program may not be recorded so as to see it at times other than those approved in the schedule. The live program and the retransmissions will be identical. The bodies of elders of the congregations using the same Kingdom Hall will decide at what time each congregation will meet, in accord with each one's needs and situation. In some cases it may be possible for more than one congregation to meet at the same time. As the special meeting will be repeated four times, it would be appropriate to consider the program to be confidential until all have seen it. That way everyone will enjoy the spiritual information at the proper moment. The meeting will be in Spanish except for Brother Sinclair's discourse, which will be in English with interpretation into Spanish. The branch will not supply any other translation, except for sign language. The sign language congregations and groups may access the program that will be interpreted from Bethel. We are confident that this will prove to be a joyful and encouraging occasion.

Our prayers are that Jehovah blesses the preparations for this special meeting and we take the opportunity to send an expression of warm greetings and fervent Christian love.

Your brothers,

Testigos Cristianos de Jehová

c. Circuit Overseers

PS: This letter should be read to the congregation at the next midweek meeting.
