Re: 2017 Special talk

Dear Brothers:

The special public talk will be given during the week of **April 10, 2017**, thus no congregation should schedule this talk to be held before the Memorial. Those congregations having an assembly that weekend or the visit of the circuit overseer will have the special talk the following week. The talk outline that will be presented is number **65**, entitled: "How to Cultivate Peace in an Angry World". Thereafter, it will be added to the series of public talk outlines to be presented in the Weekend congregation meetings.

We are sure that Jehovah will bless the arrangements that you are making in connection with the Memorial season. We take this opportunity to send our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
