TO THE BODIES OF ELDERS

Ref.: New European Circuits

Dear Brothers:

Recently, we informed you that on January 1, 2017 a new Arabic-speaking circuit had been formed in our branch territory. This circuit, as well as the Tagalog-speaking one, is just one of the many taking care of some of the foreign language congregations and groups in Europe. Now we are pleased to announce that, with the approval of the Governing Body, two new Chinese-speaking circuits have been formed in our country. We will share one of them Portugal and the other one with France and Switzerland. The two began on February 1, 2017. We are also pleased to announce that from March 1, 2017 onward many new Russian-speaking circuits will be formed in Europe and two of them will cover part of our territory. One of them will care for the territory of the branches of Spain and Portugal and the other one will serve in Spain, France and Italy.

No doubt, we have many reasons to rejoice over the great things Jehovah has done for us and to intensify our efforts to preach the good news to all honesthearted ones.—Ps. 126:3; Ec. 11.6; 1 Cor. 3:6-9.

Please be assured of our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
