Re: National power supply agreement

Dear Brothers:

As a result of the market research that was announced in our letter October 7, 2015 with the subject "Revision of Electrical Power Campaign", we are pleased to inform you that the branch has signed a global contract with ENDESA ENERGÍA S.A.U. to power supply all our properties, including Kingdom Halls and Assembly Halls, with very competitive rates.

In order for making this agreement possible, all electric contracts of the Kingdom Halls will be changed from membership to Testigos Cristianos de Jehová, since many of them are in the name of individuals.

In case of a congregation with a power supply contract with Endesa in the name of Testigos Cristianos de Jehová, the rates will be changed automatically.

In case of a congregation with a power supply contract with Endesa in the name of an individual or with a contract with another company, you will find detailed information about the process of changing the contract in the Tab "Documents>Supplier Arrangements" on jw.org. You are encouraged to follow the published instructions.

Once a congregation has been included in this arrangement, the branch will advance the payments to Endesa and thereafter will charge the amount related to the Kingdom Hall in the maintenance bank account (or contact congregation if there is no a maintenance bank account). A charge note will be sent through the Inbox feature of jw.org for the accounting file purpose. Along with the charge in the bank account, the accounting entry will be registered in the "Hoja de cuentas".

This agreement is part of a project to optimize the energy expenditure in our buildings. For this reason, the Kingdom Hall electrical power contracts will be adjusted according to local needs. You will receive more information in the upcoming months in this regard.

As you may understand, the details of this agreement are strictly confidential. For this reason we encourage you not to share them with others. Thank you very much for your discreetness and kind collaboration in this matter. We count on your full support to make the best use of the dedicated funds.

Please receive our Christian love and best wishes.

Your brothers,

Testigos Cristianos de Jehová
