Re: Baptism Date Survey

Dear Brothers:

We are writing to collect information on any publishers in your congregation who have been baptized for 30-39 years, 40-49 years and 50 or more years. We will need the information back at the branch office **latest by March 13, 2017**. Please give this request urgent attention by filling in the form attached and send it via [jw.org](http://jw.org) to the Service Department.

Please be assured of our prayers in your behalf and accept our warm Christian love.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
