TO ALL BODIES OF ELDERS

Re: Kingdom Hall and Assembly Hall Construction Worldwide

Dear Brothers:

As a reminder, all congregations should have an active resolution to support Kingdom Hall and Assembly Hall construction worldwide. This resolution should be reviewed each May. Please arrange to review how your congregation has done in fulfilling its resolved donations. Take into consideration whether surplus funds have been building up over time. Carefully weigh the desire of your congregation to donate along with its financial circumstances. For example, there may have been a significant increase or decrease in the number of publishers in the congregation, or the local economic conditions may have significantly improved or deteriorated, thus affecting the amount that the congregation can reasonably contribute. If it would be appropriate to do so, the body of elders should recommend a reasonable adjustment to the congregation's resolved amount. If circumstances have not changed, the current resolution may remain in effect.

We send our warm Christian love.

Your brothers,
