TO BASQUE, CATALAN, GALICIAN AND VALENCIAN-SPEAKING CONGREGATIONS AND GROUPS

Re: Videos for the Midweek Meeting Available on JW Broadcasting

Dear Brothers:

Since October 5, 2015, a great number of videos and audio recordings that can be reproduced at any moment for the benefit of the entire worldwide brotherhood have been available on JW Broadcasting.

Many of these videos are later utilized in our meetings, in particular the midweek *Christian Life and Ministry* meeting. They are available in the 'Video on Demand' section and are grouped by categories. In this way, all the videos used during the midweek meeting can be viewed at any moment later on.

With this in mind, we are pleased to inform you that from June 1, 2017 onward, the midweek meeting videos that appear in the *Meeting Workbook* will be available on JW Broadcasting in Basque, Catalan, Galician and Valencian languages.

As is the case with Spanish, English and other languages, it is possible to navigate at any moment through the categories of the Video on Demand section of JW Broadcasting in any language and find the videos that have been used in the meetings. We can also navigate in Spanish until the desired video is found and then change to Basque, Catalan, Galician or Valencian if that video is available in that language.

We trust that this new advancement in the resources of JW Broadcasting applied to the languages of our country will open the way to enjoying even more fully the spiritual food that we regularly receive at the midweek meeting.

Receive an expression of our brotherly love.

Your brothers,

Testigos Cristianos de Jehová

PS to coordinators of the bodies of elders:

Please arrange for this letter to be read to the congregation at the next midweek meeting. Thank you very much.
