Re: Donations to Regional Conventions Using jw.org

Dear Brothers:

Our yearly conventions are a spiritual highlight and evidence of Jehovah's blessing. (Isa. 54:13) In harmony with that, we wish to inform you of a simplified way to support such arrangements. You can now use a debit or credit card to contribute to assist with the expenses of your particular convention via jw.org. This method is available now and for eight weeks after your convention concludes.

To use this method, simply select the link "Make a Donation to Our Worldwide Work" at the bottom of the home page on jw.org. You can also use the "Support Our Worldwide Work" option on the bottom of the "Home" screen of the *JW Library* app.

This new feature of making your donations online simplifies the work of the accounting team at the convention and saves you having to queue to use a card machine. You may wish to set up a login account to make a donation. Creating an account simplifies the donation process if you desire to make another donation in the future and allows you to see your donation history. If you are a taxpayer, you can choose to Gift Aid your donation, thereby increasing the value by 25 per cent. Receipt of your donation will be confirmed by email.

There is no doubt that Jehovah greatly appreciates your willing and generous spirit. (2 Cor. 9:7) We hope that this provision will prove helpful to you as you continue to "honor Jehovah with your valuable things."—Prov. 3:9.

Please receive our warm Christian love and greetings.

Your brothers,

International Bible Students Assⁿ

PS to bodies of elders:

Please arrange for this letter to be read to the congregation at the first midweek meeting after its receipt. Thereafter, it should be placed on the noticeboard. It should be read to the congregation again two weeks before the assigned convention date.
