Re: Worksheets for Use With *Watchtower* Study Articles in ASL

Dear Brothers:

We are pleased to inform you that worksheets will be provided that can be used for taking notes while viewing the *Watchtower* study articles in American Sign Language and preparing to comment at the *Watchtower* Study. The *Worksheets for the "Watchtower" Study Articles* will be made available in PDF format on jw.org beginning with the issue of July 2017. Each worksheet will be available under PUBLICATIONS > MAGAZINES as a download option with the corresponding issue of *The Watchtower*. The use of these worksheets has been approved on a trial basis.

We send our warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

c: Circuit overseers

PS to coordinators of the bodies of elders:

Please arrange for this letter to be shared with sign-language congregations at the first midweek meeting after its receipt. It should be shared with sign-language groups at the next meeting held in sign language. Thereafter, it should be posted on the information board.
